to the streets!

what is the master's degree?

The Master's Degree In Street Arts is a pioneering educational initiative at an international level, in order to train professionals in the arts for public spaces.

The Masters is held every two years and the degree can only be obtained from the University of Lleida (UdL). Consists of 60 credits distributed in lectures, artistic practice groups and elaboration and defence of an individual art project.

to whom is it addressed?

Graduates in arts, professionals or any director, playwright, performer and cultural manager or architect interested in the city as a space of multiple artistic possibilities.

Who teaches the degree?

One of the most important values of the Masters is its teaching staff. A selection of renowned theorists and professionals, both domestic and international, will explain their knowledge and experience.

attention, accommodations!

FiraTàrrrega offers students personalized management for researching accommodations in the city with several options and prices.

When and where is it held?

From January to October 2015 in the city of Tàrrrega (one hour from Barcelona by car). The hours are Monday to Friday from 16:00 to 20:00 and the vehicular languages are Spanish and English.
